

THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE

Department of Mathematics

Application for Scholarship or Award

Application Materials are due to the Awards Committee Chair by the first Monday following Spring Break

Scholarships are the Martha Game scholarship (education track only), the Joe Parsons scholarship, and the Jane Oliver Swafford scholarship. Scholarship candidates must be rising juniors or seniors. The available award is Top Mathematics Student. Candidates for the award must have graduated in December or expect to graduate in May. More information is available from Math faculty.

Student Name: _____ UNCA ID Number: _____

Student Mailing Address: _____

Student Telephone Number: _____ Faculty Sponsor (if applicable): _____

Expected Graduation Date: _____ Applying for: _____

GPA Overall: _____ GPA In Math/Stat Courses: _____

Are you currently a declared Math Major? _____

Which track are you on (applied, pure, statistics, or teaching)? _____

List Math/Stat courses currently enrolled in: _____

List the 200+ level Math/Stat Courses that you have completed at UNCA, include semester taken and final grade received: _____

STUDENTS: Attach a statement, either in the space below or on a separate sheet of paper, describing your accomplishments or other qualifications. Mention any outstanding mathematical service or scholarship you have performed. If you are applying for a scholarship, briefly describe your financial circumstances, including any expected state or federal financial aid. If appropriate, you may wish to describe your post- graduate plans. Please be brief: for example, tell us if you've done some research, and with whom, but there is no need to describe the research in detail.
